Thank you Thanks to the judges, the Lady Paramount, the field party, the kitchen staff and all those that helped with moving targets and setting up, thanks also to all the archers that took part and especially to those that lasted the whole day... Special thank you to Roger Williams; Chairman and Tournament Organiser.

Weather Inclement weather, heavy rain turning to drizzle throughout the day, gusty winds, skies clearing at end of tournament.

See you all next year! Here's hoping for better weather!
